BUSINESS INCORPORATION & REGISTRATION

Start Your Business the Right Way

Choosing the right business structure shapes liability, taxes, and growth. Resolve Consultancy INDIA ensures smooth, compliant incorporation—from entity selection to certification.

Private Limited Company (Pvt. Ltd.)

India's most preferred business structure offering limited liability, separate identity, and easy fundraising—ideal for startups and scalable businesses.

Limited Liability Partnership (LLP)

A flexible structure combining partnership benefits with limited liability—ideal for professionals, consultants, and small businesses.

One Person Company (OPC)

Enables a single entrepreneur to operate with limited liability—ideal for solo founders seeking a structured corporate identity.

Society / Club Registration

Legal registration for societies, clubs, and non-profits—ensuring formal recognition, credibility, and smooth operations under the Societies Registration Act.

Trust Registration

Establishing charitable or private trusts for philanthropic, religious, or family purposes, with complete documentation and regulatory compliance support.

NGO Registration (80G, 12A)

Complete assistance with NGO incorporation, including obtaining 12A registration for tax exemption and 80G certification to enable donor tax deductions.

INTELLECTUAL PROPERTY & TAXATION

Protect & Manage Your Business

Your intellectual property is a key asset. Resolve Consultancy INDIA protects your brand and ensures smooth GST, tax, and audit compliance with expert guidance.

Intellectual Property Services

Trademark Registration

Protect your brand name, logo, and tagline with trademark registration—handled end-to-end from search to certification.

Copyright Registration

Protect your original works—software, content, music, and art—through formal copyright registration under the Copyright Act, 1957.

Taxation & Financial Services

GST Registration & Filing

Complete GST compliance—registration, GSTR-1 & GSTR-3B filings, annual returns, and reconciliation for smooth, accurate tax management.

Accounts Management

Professional bookkeeping, financial statement preparation, and accounts maintenance tailored to your business size and industry requirements.

Taxation Services

Income tax return filing, tax planning, TDS compliance, and advisory on direct tax obligations for individuals, HUFs, and businesses.

Audit Services & Due Diligence

Statutory and internal audits with due diligence—ensuring financial transparency, risk identification, and informed decisions for mergers, acquisitions, and investments.

LICENSES & CERTIFICATIONS

Government Licenses Made Easy

Operating a business in India requires multiple licenses. We Streamlines approvals efficiently—so you focus on growth while we handle compliance.

Trade License

Mandatory for conducting any business or trade within municipal limits. We assist with application, documentation, and renewal across all major cities.

FSSAI License

Central and State FSSAI licenses for food businesses — from small restaurants to large manufacturers. We handle registration, documentation, and compliance.

Fire License (NOC)

No Objection Certificate from the Fire Department, required for commercial establishments, factories, and high-rise buildings to ensure fire safety compliance.

Factory License

Registration under the Factories Act for manufacturing units, ensuring compliance with labor, safety, and operational standards set by state authorities

Liquor License

State-specific liquor licenses for hotels, restaurants, bars, and retail outlets. We navigate the complex regulatory framework to secure your license efficiently.

Import Export Code (IEC)

Mandatory registration for businesses engaged in import or export activities, issued by the Directorate General of Foreign Trade (DGFT)

Drugs & Cosmetic License

Licensing for pharmaceutical, cosmetic, and medical device businesses under the Drugs and Cosmetics Act — including manufacturing and retail licenses.

ISO Certifications

International quality management certifications including ISO 9001, ISO 14001, ISO 27001, and more — enhancing credibility and operational standards.

COMPLIANCE & PAYROLL SERVICES

Employee & Financial Compliance

As your business grows, compliance becomes complex. Expert handling of PF, ESIC, and TDS ensures smooth payroll operations, full compliance, and risk-free growth.

Provident Fund (PF) – Registration & Maintenance

- EPF registration for eligible establishments
- Accurate monthly contribution and ECR filing
- Timely annual compliance and reporting
- Employee support for PF services

ESIC – Registration & Maintenance

- ESIC registration and employee enrollment
- Accurate contribution calculation and payment
- Half-yearly return filing and compliance
- Access to medical and social benefits

TDS – Registration & Maintenance

- TAN registration and TDS setup
- Monthly deduction, deposit, compliance
- Quarterly returns (24Q, 26Q, 27Q)
- TDS certificates and annual reconciliation

Compliance Reminder: PF, ESIC, and TDS filings have strict monthly and quarterly deadlines. Missing these can attract penalties, interest, and legal notices. Partner with Resolve Consultancy INDIA to stay ahead of every deadline with automated reminders and expert filing support.
