SMART SOLUTIONS: SECURITY

CANINE SECURITY

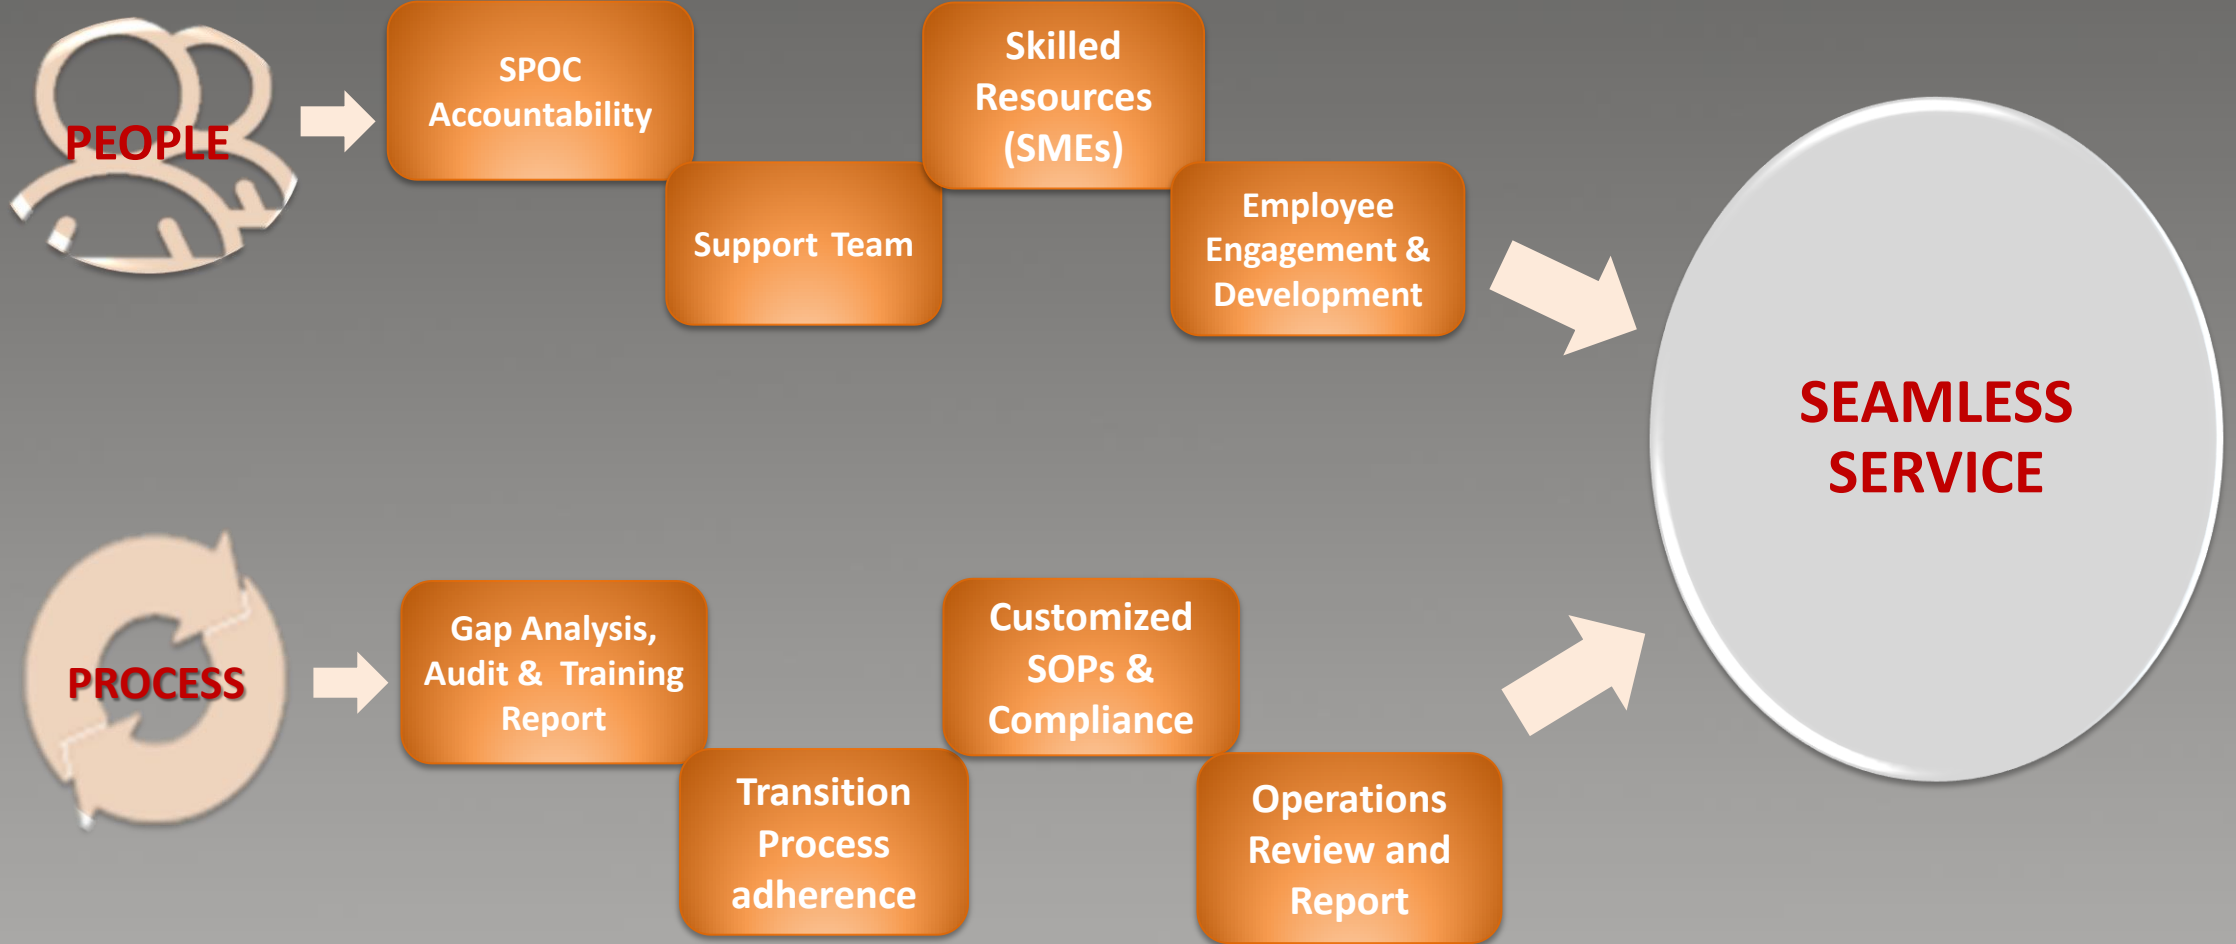

- **LED Detection:** Its like an alarm system that travels with you, is not easily inactivated, and interprets what it detects with a brain programmed by nature to read body language.
- **Effective Deterrent:** A well trained canine guard team from Lethal Weapon k9 shows a willingness to defend his "territory" and handler with an authority that discourages violation of your privacy or safety.
- **Overwhelming Defense:** Here is a defensive system that comes to your aid when needed or summoned. Unlike a bullet or chemical spray, once launched, this weapon can be recalled if the threat no longer exists.
- **Devoted Commitment:** The most Important contribution that our Lethal Weapon k9 trained canine and personnel makes are the peace of mind that comes from knowing that they are on duty while you can go about your daily routine without worries.
