**A CRISIL RATED COMPANY, AN MSME CERTIFIED COMPANY**

**AN ISO 9001 : 2008 CERTIFIED COMPANY**

We bring reach, speed and the power of our proprietary, customizable commerce technology toolkit to your retail operations. Our Unique Toolkit allows you to pick and choose from various modules and manage all your sales channels: online, mobile store-fronts and in-store sales.

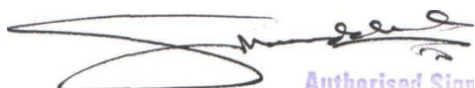

Secure Express, we focus on improving your bottom line. Our distributed fulfilment network coupled with our inventory management toolkit helps you optimize inventory allocation across the country and lower total logistics costs while maintaining same-day/next-day service levels.

Feel free to contact the undersigned for further clarification and more details.

**Note:** We are pleased to inform you that recently we have been nominated Economic Times Business News channel Award. This is only possible for your Great Support only. Thank you very much for your support & patronage.

Thanking you and assuring of our Best Sincere Quality & Secure services at all times.

**Yours sincerely,**
