

SAYAN CONSULTING IRELAND LIMITED**-: Driving Projects to New Heights with Exemplary Project Resolutions:-****1. About:**

At SAYAN CONSULTING IRELAND LIMITED, we provide ingenious and resourceful project solutions that are economically viable, ensuring optimal efficiency and adhering to the highest benchmarks set by the industry. Our expertise extends to both on-site and remote support, enabling us to cater to our clients' diverse needs with unwavering excellence.

2. Mission Statement:

At Sayan Consulting Ireland Limited, our mission is to empower organizations to achieve excellence in project management. We are committed to delivering innovative solutions and expert guidance, enabling our clients to realize their strategic goals efficiently and effectively. With a focus on integrity, collaboration, and continuous improvement, we aspire to be a trusted partner in project success.

3. Core Values:

- A. Integrity:** We conduct ourselves with the highest ethical standards, ensuring honesty, transparency, and accountability in all our interactions. Integrity is the foundation of our relationships with clients, partners, and team members.
- B. Client-Centric:** Our clients' success is our top priority. We listen, understand, and tailor our solutions to meet their unique needs. We are dedicated to delivering value and exceeding expectations.
- C. Excellence:** We strive for excellence in every aspect of our work. We are committed to continuous improvement, staying up to date with industry best practices, and providing the highest quality services.
- D. Collaboration:** We believe in the power of teamwork. We foster a collaborative and inclusive work environment, valuing diverse perspectives and skills. Collaboration enhances our ability to innovate and deliver superior results.
- E. Innovation:** We embrace innovation as a driving force behind progress. We actively seek creative solutions, leveraging technology and industry insights to help our clients stay ahead in an ever-evolving business landscape.

- F. Professionalism:** We uphold the highest standards of professionalism in our conduct, communication, and relationships. Our team is composed of skilled and certified professionals who are dedicated to their craft.
- G. Community Engagement:** We recognize our responsibility to give back to the communities where we operate. We actively engage in corporate social responsibility initiatives to make a positive impact.

4. Services:

We help our clients manage challenges, seize opportunities, and achieve their goals by providing them with innovative solutions tailored to their specific needs.

- A. Project Control Consultancy** - Superlative paradigms of Project Control Practices constitute the foundation upon which construction endeavors in diverse sectors thrive. SAYAN CONSULTING IRELAND LIMITED stands resolutely committed to the conception, administration, and implementation of meticulously streamlined project control systems, spanning both on-site and remote support. Harnessing the collective acumen and proficiency of our unwavering team, we endeavor to furnish our esteemed clientele with pioneering, economically viable resolutions, assiduously upholding the zenith of exacting standards.
- B. Engineering Consultancy** - At Sayan Consulting Ireland Limited, our Engineering Consultancy division embodies our commitment to technical excellence and holistic project solutions. We leverage a blend of expertise, innovation, and cutting-edge technologies to deliver engineering consulting services tailored to each client's unique requirements. Our seasoned engineers and specialists collaborate closely with clients, understanding their objectives to design and execute projects with precision. We pride ourselves on our ability to provide comprehensive engineering strategies that optimize efficiency, sustainability, and safety, ensuring successful project outcomes that exceed expectations.
- C. Project Control Online Training** - In this era of technological advancement, we, at SAYAN CONSULTING IRELAND LIMITED, fully grasp the imperative need for skill enhancement. With this in mind, we have meticulously crafted our online Project Control training programs, helmed by seasoned trainers of immense expertise. Our training modules encompass fundamental and advanced Primavera, Microsoft Excel, and Dashboard skills. To gauge your proficiency in software, we will organize a complimentary interview, followed by a tailored course offering, aligned precisely with your software acumen.

D. IT Consultancy - In this epoch of technological progress, SAYAN CONSULTING IRELAND LIMITED comprehends the significance of establishing an influential online presence and the criticality of online reviews. Leveraging state-of-the-art technology, we specialize in crafting a feedback management system that augments website traffic, elevates search rankings, showcases top-notch customer reviews to the public, and gathers and showcases video testimonials. Our comprehensive approach further amplifies brand visibility through attaining prominent search results for business profiles and fostering robust social engagements. 5. Who we are:

We are a leading provider of project control consultancy services and online training courses. Our consultancy services are designed to help our clients optimize their project performance and ensure successful project outcomes. We provide a comprehensive suite of services, including preparation of tender schedules/baseline schedules, implementation of reporting structures, progress curve implementation, resource curve implementation, in-depth schedule analysis, risk assessments, comprehensive delay analysis, and implementation of project controls.

Our team of experienced professionals works closely with our clients to understand their unique needs and goals, and we use the latest tools and best practices to deliver customized solutions that meet their specific requirements. We are committed to delivering high-quality services that help our clients achieve their project objectives and maximize their return on investment.

In addition to our consultancy services, we also offer online training courses in project management software like Primavera P6 and Microsoft Excel. Our courses are designed to equip our clients with the essential skills and knowledge they need to effectively manage their projects and optimize their project control strategies. We offer a wide range of courses, from basic to advanced, and we also offer combined courses that provide a holistic understanding of project management and data manipulation.

At SCiL, we are dedicated to helping our clients achieve their project goals and succeed in today's competitive business environment. Contact us today to learn more about how we can help you optimize your project performance and achieve your project objectives.

7. Case Studies/Projects:

At Sayan Consulting Ireland Limited, we are currently engaged with esteemed clients such as John Sisk (end client Intel), PM Group (end client Pepsi) and GE, delivering exceptional project management expertise. Our projects span across Mainland Europe, Ireland, and the UK, though the classified nature of these endeavors limits our ability to disclose comprehensive project specifics. We are dedicated to upholding the highest standards of professionalism and confidentiality in our collaborations, ensuring the success and security of our client ventures.

At Sayan Consulting Ireland Limited, we stand on the threshold of an exciting growth phase, aiming to expand our influence globally. Our vision encompasses reaching new horizons, particularly in the continents of Asia, Africa, and Australia. Actively seeking compatible partners who share our commitment to project management excellence in these regions, we anticipate a collaboration that not only widens our international presence but also enables the delivery of innovative solutions and unmatched expertise to clients in diverse markets. Together, we aspire to overcome challenges, seize opportunities, and contribute to transformative projects on a larger scale. We seek partnerships with distinguished consultancies like yours, envisioning a collaborative venture rooted in profit-sharing or a fixed-term royalty arrangement annually. This mutually beneficial alliance leverages our combined strengths and expertise, breaking geographical barriers in our pursuit. Your esteemed consultancy has caught our attention with its impressive reputation and values mirroring ours. We strongly believe that our collective endeavors can yield remarkable results, propelling growth and prosperity for both entities involved. Eagerly awaiting the opportunity to delve deeper into this potential collaboration, we are excited about exploring the possibilities of establishing a fruitful partnership.

8. Why Choose Us:

- A. Comprehensive Project Expertise** - At Sayan Consulting Ireland Limited, we possess a wealth of experience and deep-rooted expertise in project management across various industries. Our team of seasoned professionals brings a diverse range of skills, ensuring comprehensive project solutions tailored to your specific needs.
- B. Tailored Strategies for Success** - We understand that each project is unique. Our approach involves crafting tailored strategies that align with your organization's objectives, considering the distinct requirements and challenges of your industry. Our solutions are flexible, adaptive, and designed for success.
- C. Proven Track Record of Success** - Our history is marked by successful project completions and satisfied clients. We pride ourselves on a proven track record of delivering projects on time, within budget, and to the highest quality standards. Your project's success is our primary goal.
- D. Innovative Technological Integration** - In a rapidly evolving technological landscape, we stay at the forefront of innovation. Sayan Consulting Ireland Limited integrates cutting-edge technologies and advanced project management tools to optimize project efficiency, communication, and decision-making, providing you a competitive advantage.
- E. Dedicated Client-Centric Approach** - Our client-centric approach is ingrained in our values. We prioritize understanding your unique needs, fostering a collaborative partnership, and ensuring open communication throughout the project lifecycle. Your satisfaction and success are our driving forces.
