## About Us :

ASC is a Shipping and Logistics firm founded by members having more than 25+ years of experience in the industry and varied expertise in container handling, hazardous cargo, third-party/country shipment, air shipment and international shipping and forwarding.

## Quick glance at our services:

### **LOGISTICS SERVICES**

Ex-works, Door Delivery - DDP / DDU & Re-shipments

### **HANDLING OF SPECIAL CARGO**

Handling odd dimension Cargo, Capital machineries, Project cargos, etc in special containers with extra care & expertise

### **HANDLING OF HAZARDOUS CARGOS**

Handling of hazardous containers with proper protection for environment's safety

### **HANDLING OF FCL / LCL CONSIGNMENTS WORLDWIDE**

Besides Full Container Loads, we carry LCL (Less than Container Load) shipments to/from all over the globe

## **AIR SHIPMENTS – EXPORT / IMPORT**

Handling both Air Export & Import to/from worldwide locations

## **INTERNATIONAL SHIPPING & FORWARDING**

We are involved in freight forwarding for customers international as well

## **SPECIALIZED IN THIRD COUNTRY SHIPMENTS**

Not only shipments between 1st & 2nd countries as usual, but we are also specialized in 3rd Country shipments

## **REVERSE LOGISTICS**

End-to-end Reverse Logistics support through repair and replacement of defective parts, sending materials back for testing and replacing them

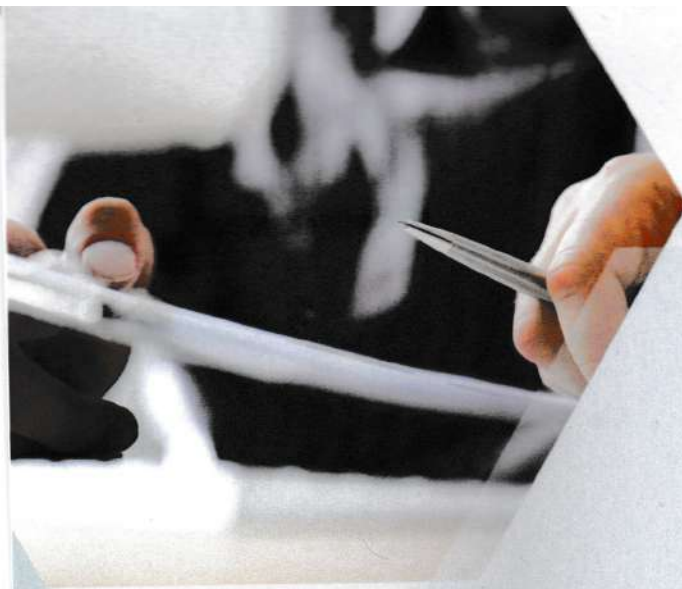

## **VALUE ADDED SERVICES**

Arrangement of Certificates from Government/Trade Authorities and offering special assistance to MSMEs & upcoming entrepreneurs entering international trade

## **SPECIALIZED IN THIRD PARTY SHIPMENTS**

Unlike usual shipments between two parties, we are specialized in Third-Party Shipments which are rarely done by competitors in our space
