

PLASTIC

We at ASL PLASTIC are committed to Quality Product & Quality Services to our customers at a competitive price in mind, state & implied needs of the customer.

Our products are strictly as per client specification specified under our quality plan.

Injection Moulding 50 Ton to 500 Ton & Blow Moulding upto 100 ltrs, Manufacturing capability of processing all types of thermoplastic raw materials including PP, HDPE, HMHDPE, LDPE, ABS, EVA, PET Engineering plastics like Nylon, Polycarbonate, Talcfield, PP, EPDM, TPE, TPU etc.

HMHDPE DRUM 30-70 Ltr

Product Name	Volume (ltrs.)	Height (mm)	Length (mm)	Width/ Dia (mm)
70 Ltr Full Open Top Drum (Press Type)	70.1	710	N/A	390
70 Ltr Full Open Top Drum (Thread Type)	70.1	710	N/A	390
65/60 Ltr Full Open Top Drum (Press Type)	66.3	675	N/A	390
65/60 Ltr Full Open Top Drum (Thread Type)	66.3	675	N/A	390
50 Ltr Rocket Type	55.4	575	445	335
50 Ltr Full Open Top Drum (Press Type)	53.73	575	N/A	390
50 Ltr Full Open Top Drum (Thread Type)	53.73	575	N/A	390
50 Ltr Oil Drum (Lubricant)	58.6	534	N/A	410
50 Ltr Round Narrow Mouth Drum(Double)	62.5	570	N/A	400
50 Ltr Round Narrow Mouth Drum	62.6	570	N/A	400
50 Ltr Round (Wide Mouth)	62.7	570	N/A	400
35 Ltr Full Open Top Drum (Press Type)	34.4	520	N/A	320
35 Ltr Full Open Top Drum (Thread Type)	34.4	520	N/A	320

HDPE JAR 1-40 Ltr

Product Name	Volume (ltrs.)	Height (mm)	Length (mm)	Width/ Dia (mm)
40 Ltr Jerry Can (Straight Mouth)	40.8	525	395	255
40 Ltr Jerry Can (Cross Mouth)	40.8	525	395	255
35 Ltr Jerry Can (Straight Mouth)	36	490	385	250
35 Ltr Jerry Can (Cross Mouth)	36	485	395	255
20 Ltr Jar Stoggle	22.8	400	325	200
20 Ltr Jar Square (Wad)	22.75	395	270	260
20 Ltr/Kg Jar (Multipurpose)	20.3	395	320	230
15 Ltr Round Jar (Vanaspati etc.)	18.3	360	N/A	270
10 Ltr Jar (Chemical/Medicine etc.)	10.55	355	220	160
5 Ltr Jar (Pesticide / Food Packaging etc.)	6.3	220	N/A	195
5 Ltr Jar (Milk / Milk product Jar etc.)	6.2	270	N/A	195
5 Ltr Jar (Chemical / Lube etc.)	5.3	320	200	120
5 Ltr Jar (Chemical / Lube etc)	5.35	330	195	120
5 Ltr Jar Oval (Chemical / Phenyl etc.)	6	300	240	125
2 Ltr Jar (Edible Oil /Lube / Chemical etc.)	2.6	225	165	100
2 Ltr/Kg Jar (Multipurpose)	2.25	245	160	86
1 Ltr. & ½ Ltr. Bottle (Multipurpose) etc.				

Industries, ASL PLASTIC cater packaging products :

- Food Processing.
- Agro Chemical.
- Chemical & Pharmaceutical.
- Pesticides.
- Veterinary .
- Fertilizer.
- Edible oil & Vanaspati .
- Paint, Additive & Adhesive etc..
- Industrial lubricant.
- Also Multipurpose Application to other Industries, etc.

SALIENT FEATURES

- HDPE / HM HDPE Raw Material (granules) non toxic, non corrosive & odourless.
- Blow Moulded single piece, with no welds and joints, leading to One Piece Leak Proof Drums / Jar / Bottles etc.
- Greater impact strength at low/high temperature.
- Designed for high density and aggressive fill goods and suitable for filling temperature up to 100⁰ Celsius.
- Significantly increased stacking stability (stackability).
- Higher stress / crack resistance and increase chemical resistance.
- The upper ring improves bung protection during transport and handling.
- Highly durable, easy to handle and with increased decant ability.
- Suitable for food grade application.
- Easy removal of residual contents & available with integrated extraction systems.
- Excellent clean area with multi colour printing option for better branding.
- Universally accepted design with high levels of re-usability.
- Metal Clamp with Ring leak proof washer with ventilation cap also available with drums as desired by customer.
- We can also customize & develop new product as per customer requirement.
- Pilfer free product.
- Existing Product colour can also be customized as per specification.
- All our inhouse LABORATORY test certificate will be provide as desired.

ASL Plastic reserves the right to change and modify the specifications of the above items for technical development without any prior notice.
The users are advised to verify the suitability and compability of above products before use.
