Non-Woven Bags Manufacturer**

ABOUT US

RHINE AND SHINE ASSOCIATES PVT. Ltd. spread over 10,000 sq.ft. manufacturing unit, equipped with state-of-the-art machineries, a skilled workforce, and pioneering management, is one of the largest manufacturers and exporters of HDPE/PP woven sacks bags and BOPP laminated bags.

At Rhine and Shine, we believe in manufacturing quality products which signify the real art and passion for packaging. We use the most excellent quality materials to make our products with the industry set standards and regulations. Our products are known for their perfect finish, durability, and custom made. Our Unit is accredited and certified with ISO 9001:2015.

Under the able and efficient effort of our directors - Mrs. Mithu Das and Mrs. Kamala Rana, who have years of experience in this field, we have become a reputed organization engaged in the Manufacturing and Exporting of Polypropylene Woven Bags and Packaging Material. Their strategies and business ethics enable us to meet the needs and requirements of our clients in a better way and also help in providing customized solutions as per the details given by the clients.
